17 MARCH 2025 / 9:15 PM / GOOGLE MEET

Attendees

Manish Tiwari, Aditya Shankar, Eshwar Sriramoju, Hiten Garg, Monosij Roy, Shlok Sand

Agenda

Discussion on Backend Integration and Code Modification.

Discussion Points:

1. **Integration Approach:** Discussed specifics of integrating with the backend.

2. **Access to Backend:** Requested direct access to modify backend code.

3. **Client's Concern:** Client mentioned that their backend is large and complex, making direct modifications difficult.

4. **Decision Process:** Agreed to review the backend structure before making a final decision.

5. **Final Decision:** After analysis, we decided to modify only the optimizer code instead of making backend changes.

Action Items

1. Proceed with modifying the optimizer code as planned.
